

The Lost Maples Winery, the Hill Country's new premiere wedding and event venue, is nestled in a canyon along the Sabinal River in one of the most beautiful areas of Texas. Our 18-acre estate offers jaw dropping scenery and flexible facilities that can accommodate groups of up to 150 guests.

The facilities at the winery include multiple outdoor venues that offer picturesque settings for your ceremony and other celebrations. Whether you select a location near the river with scenic bluffs and hills in the background, or a setting in the vineyard, you are sure to create a unique experience that will be remembered by you and your guests for a lifetime.

## OUR LOCATION

Some say it's the journey, not the destination. In the Texas Hill Country, it's not an either or proposition. The Lost Maples Winery is less than two hours from San Antonio and just a mile or so from the Lost Maples State Natural Area. Getting here, you'll travel some of the most scenic roads in Texas ... but the drive is just the beginning.
